

TEEN CONSENT

Consent is Freely Given

There should be no pressure or abuse of power being used to make you feel like you have to do any sexual activities at all, even in relationships where you have done things together before!

TEEN CONSENT

Consent is Specific

Saying “yes” to one thing does not automatically mean “yes” to something else! Every activity needs its own enthusiastic consent and this communication should be ongoing.

Do things because you want to, out of interest, desire or excitement!

TEEN CONSENT

Consent is Sober

You are not drunk or high as everyone involved must be both sober and capable of understanding and freely agreeing to sexual activity.

Incapacitation by drugs or alcohol negates the ability to give consent!
