#### **1. Welcome and Introductions:**

#### **2. Acknowledgement**

"To begin, let us acknowledge that Kingston is situated on traditional Anishinaabe and Haudenosaunee territory. We are grateful to be able to be live, learn and play on these lands."

To acknowledge this traditional territory is to recognize its longer history, one predating the establishment of the earliest European colonies. It is also to acknowledge this territory's significance for the Indigenous peoples who lived, and continue to live, upon it – people whose practices and spiritualities were tied to the land and continue to develop in relationship to the territory and its other inhabitants today.

Very busy at the hospital and masks are back on throughout. There is a lack of both children's Pediatricians and emergency Doctors so numbers are being capped, and hours of service reduced, as needed at Hotel Dieu to provide service at KGH.

Encourage clients to present to KGH as they have 24/7 staffing and Hotel Dieu does not.
